children to the exercise of kindly feelings and true charity loward the poor."

It is an elaborate and well-constructed story, illustrative of the great moral efficiency and religious principles of which the period of childhood is astrongly capable.

"The aim of this book is a noble one, vir. to inspire children with high thoughts; to urge them on in the path of varine, peace, it indicates, humanity, religion.

It is such a book as a noble one with the hook as hildren can understand Read in every family circle, it must do nuch better and happier they will be, if Sodion Daily Bec.

To it is superior to the celebrated "Franconian Stories," and is a that any parent may take pleasure in justification learn to the hands a that any parent may take pleasure in justification to the hands is children."

This is a work preeminently vanable as a family book. The flog idea, as the name indicates, is to impress upon children uportance of not only being our doing rood. "Estation Whigh is a very engaging and pathetic book, and will greatly please is readers."

It is the is well fitted to sid in the culture of the moral feelings
